Share of Railways in petroleum product traffic

2181. SHRI NANA DESHMUKH: Will the Minister of RAILWAYS be pleased to state:

(a) whether it is a fact that 47 per cent of the country's petroleum products in 1992-93 were carried by the Railways, whereas the share of Railways in petroleum product traffic fell down to 36 per cent in 2000-2001;

(b) if so, what has been the share of petroleum products traffic during the fiscal year 2001-2002; and

(c) how Government propose to augment the alternative sources, for making up this freight loss to the Railway revenue?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI O. RAJAGOPAL): (a) Yes, Sir.

(b) During 2001-02, so far (till January, 2002) Railways have been offered approximately 29.75 million tonnes of traffic which constitutes around 36% of the total POL consumption.

(c) There has been no loss of revenue to the Railways. Revenue earning from POL traffic has been Rs. 64.28 crores more as compared to the corresponding period of last year. Moreover, to attract additional POL traffic, Railways have for the first time, offered station to station rates. It has also reduced classification of various POL commodities in the Railway Budget, 2002-03, thereby reducing freight cost of POL products.
